

Renee Swope is a national conference speaker, co-host of Proverbs 31 Ministries' international radio program and author of [*A Confident Heart*](#). Through her written and spoken words, Renee leads women to find confidence in Christ by showing them how to live daily in the security of God's promises. Seasoned with laughter and saturated with Truth, Renee's messages are filled with powerful Biblical insights and practical life-applications that show women how to:

- ❖ Trust the certainty of God's promises despite the uncertainty of their circumstances
- ❖ Exchange "against me" thoughts with scripture-based God is "for me" thoughts
- ❖ Break free from people-pleasing and performance-based living
- ❖ Discover and develop your God-given purpose, passion and personality
- ❖ Learn how to fail forward even when life or sin sets you back
- ❖ See beyond who you are to who you are becoming – in Christ

In addition to her speaking and writing, for the past 16 years, Renee has served on the leadership team that grew Proverbs 31 Ministries from a small newsletter to one of the leading women's ministries in America. She currently serves as Executive Director of Communications Executive Editor of *Encouragement for Today* devotions that reach half a million women around the world each day. She's also a contributing author to the devotions as well as *God's Purpose for Every Woman*, *Leading Women to the Heart of God* and *The Reason We Speak*.
